

Product: SONAX Fallout cleaner

Article number: 513 200 /400
Formula No: 2301 0926

Product Description: For removing surface rust, smaller rust spots and industrial dust. Suitable for exterior cleaning of cars after the winters' frequent road gritting. Also suitable for tracked vehicles, soiled by metal abrasion from overhead cables.

Directions for Use:

- Turn the nozzle to "spray".
- Spray the product onto the areas to be treated
- allow to work in 3-5 minutes according to the extent of soiling
- carefully rinse off with clear water afterwards
- repeat the treatment on stubborn residues and rub in with sponge

NB:

- To avoid damage to the paintwork, do not use in direct sunlight or on hot surfaces. Do not allow to dry on.
- Store product away from frost
