

# Foam Cleaner

## LOS 4000

Foam Cleaner is a multi-purpose cleaning agent removing stains in a quick and gentle way. Can be used in cars and households, as well as for sport and general applications.

- removes stubborn stains, such as fat, oil and tar stains
- cleans without any effort all glass, chrome and plastic parts
- thoroughly removes any insects, greasy stains and dirty marks
- carefully removes stains from carpets, upholstery and similar objects

### Cars: Foam Cleaner

- cleans without any effort all glass, chrome and plastic parts,
- thoroughly removes any insects, greasy stains and dirty marks from body and windows,
- can be used as an engine cleaner.

### Households: Foam Cleaner very carefully removes

- stains from carpets, upholstery and similar objects,
- dirty marks from window frames and panes, fittings, tiles and varnished surfaces,
- brightens up dull and weathered plastics.

### Sport and Hobby: Foam Cleaner cleans without residue:

- surfboards and sails,
- all plastic respectively varnished surfaces on boats,
- motorcycle linings, bicycles, sports equipment, such as skis, skiing boots, a.s.o.

### **Use:**

Shake the aerosol vigorously before use. Apply Foam Cleaner over the whole area needing treatment from a distance of approx. 25 cm and let it work in for a short while. Afterwards, clean the area with a moist sponge or chamois leather. Repeat the treatment on extremely dirty spots. As the composition of textile fibres can vary especially with regard to the colouring, it is advisable to conduct a tolerance test on a concealed spot first. Without adequate ventilation formation of explosive mixtures are possible, especially on the ground. Large furniture parts should, if possible, be cleaned in the open air.

### **Content of aerosol can:**

400 ml
